The Star News

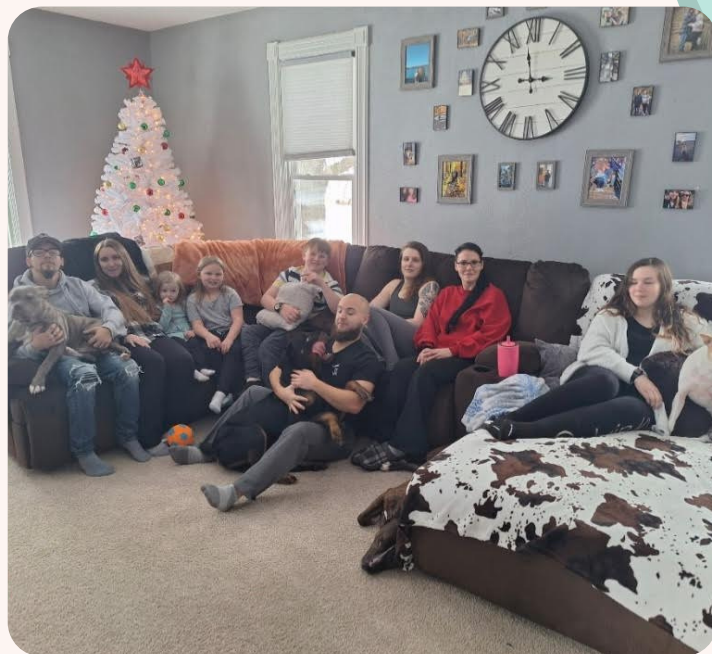

STAFF SPOTLIGHT:

Meet Cathi!

Cathi is an AL Attendant and has worked at Arlin Falck Assisted Living since Feb. of 2025; she is coming up on one year of employment!

Cathi has three kids - 2 boys and 1 girl - and two soon to be daughter in laws! Cathi also has 5 grandchildren. She and her Fiancé love to go hiking, fishing, mushroom hunting, and just generally love doing anything outdoors. They love having family get togethers and having fires.

Cathi's favorite part about working at Arlin Falck Assisted Living? "I love the tenants and being able to help them every day. I can get along great with most of my co-workers and actually get to be myself. My bosses are great and easy to get along with."
